SOFTWARE TESTING CONFERENCE

CROWNE PLAZA MUTIARA , KUALA LUMPUR  
19 - 21 JULY 2010

## LETTER FROM THE PRESIDENT

Dear Colleague,

### **Invitation To Sponsor MSTB Software Testing Conference 2010 (SOFTEC2010)**

The year 2010 shows great possibilities for Software Testing in Malaysia and once again the Malaysian Software Testing Board will be staging the its annual landmark event - the Software Testing Conference. We are confident, as the foremost testing event in the region, SOFTEC2010 will be even better.

The last two conference, SOFTEC08 and SOFTEC09 succeeded in offering some of the best minds in software testing to the Malaysian audience and we foresee better offerings in SOFTEC2010.

While several popular speakers will return with the latest in software testing, more renown testing personalities are expected this year. SOFTEC2010 will also be the prelude to the International Software Testing Qualifications Board (ISTQB) General Assembly where all 52 member countries will be represented.

You would not want to miss the opportunity to be part of SOFTEC2010 and we shall call upon you in due course to see how you can take advantage of the exciting programs planned.

See YOU at SOFTEC2010!

Thank you and warmest regards,

Yours sincerely,

**Mastura Abu Samah**  
*President,*  
*Malaysian Software Testing Board (MSTB)*
