

SOFTWARE TESTING CONFERENCE

Presentation Submission Guidelines

Confirm speakers are to adhere to the following submission guidelines in order to ensure that your presentation would run smoothly and efficiently.

SUBMISSION PARTICULARS

PROFILE

Please include your current profile in not less than 300 words which will be broadcasted on the conference website @ softec2010.mstb.org and selected promotional collateral.

We reserve the right to edit your bio, however if you wish to make any amendment once it is broadcasted email the changes to softec2010.secretariat@mstb.org

PHOTO

Please send photo in Jpeg or TIFF format with at least 150-pixel resolution and do not embedded the image on Word or PowerPoint file.

PRESENTATION FORMAT

Ensure that your presentation is in POWERPOINT FORMAT using standard Microsoft Office fonts. Try to keep the smallest fonts at 20pt only.

Since we will convert the presentation to read-only file (PDF), ensure that your presentation does not contain any last minute changes once it has been submitted.

Company name and logo are allowed on opening and closing page.

ABSTRACT

Abstract of your presentation must be short and precise and must be included in your proposal of topic and synopsis by 31 January 2010.
